## The Lion Report

October 2016

October Count Day - October 5th

*The Colorado Department of Education has identified Wednesday, October 5 as the official statewide October Count Day for the 2016-2017 school year. To comply with this state mandate and ensure maximum attendance, Ambassador Academy will have a full day of school from 8am to 3pm. Your assistance with this important state requirement is greatly appreciated as funding for Ambassador Academy and the important resources for our students are directly impacted by the October 5 attendance numbers. For more information, please contact your school's front office.*
